

# Nokia Bluetooth Stereo Headset BH-214 Data Sheet

## Product Overview

The Nokia Bluetooth Stereo Headset BH-214 is ideal for on-the-go music and calls. Stay active but in touch with this lightweight headset that clips on and stays, so you won't miss a call when you're on the run, listening to music, or in a noisy environment. Simply use the matching headphones included or the 3.5 mm stereo interface for the added option of using your own headphones. Lets you talk for up to 8 hours, with a standby time of up to 12.5 days.

## Key Features
